

# apeNEXT

15 Tera Flops, 4<sup>th</sup> generation parallel  
Supercomputer

apeNEXT

1 Tera = 1.000.000.000.000

ApeNEXT is the outcome of a successful  
co-operation between INFN (It),  
DESY (D), CNRS-Univ. Paris Sud (Fr).

A proof that academic research  
centres and the industry can work  
together for exceptional results.
