

Eurotech: update on Corporate management roles

Amaro, ITALY – February 1st, 2016 – Eurotech announces that within a reorganisation of Corporate management roles Frank Cutri ends his office as Chief Operations Officer as of today. Dr. Cutri duties will be taken by the other Corporate management roles. Dr. Cutri leaves all his other offices in the Group companies as well. The Eurotech Group thanks Dr. Cutri for the work carried out during these years in integrating the engineering and manufacturing activities of all the subsidiaries of the Group.

About Eurotech

Eurotech (ETH:IM) is a global company that designs, creates and delivers full Internet of Things solutions, including services, software and hardware to leading systems integrators and enterprises large and small. With Eurotech solutions in place, clients have access to the latest open source and standardized software stacks, flexible and rugged multi-service gateways and sophisticated sensors to bring actionable data from the field into business operations. Working with world-class ecosystem partners, Eurotech delivers on the promise of the Internet of Things either from end to end, or with best in class building blocks, including device and data management, connectivity and communication platform, intelligent edge devices and smart objects following business models that fit today's business world.
