

## Eurotech: Dustin G. Kramer appointed CEO of Eurotech Inc. in the USA

**Amaro (Italy) – 13 May 2019** – Eurotech announces to have appointed Dustin G. (Dusty) Kramer as Chief Executive Officer of Eurotech Inc. in the United States. The role in recent years had been carried out ad interim by the CEO of Eurotech S.p.A. Roberto Siagri, who retains the role of Chairman of the Board of Eurotech Inc..

Dusty had been part of the organization for a year, covering both the role of Vice President Sales of the American subsidiary and that of coordinator of the American activities of the Eurotech Group.

Previously Dusty had spent over 12 years of his career at Parvus Corporation, where he had been first Vice President of Sales & Marketing and then since 2012 he took the lead as President, achieving the role of CEO after the sale of Parvus to Curtiss Wright in October 2013.

### EUROTECH

Eurotech (ETH:IM) is a multinational company designing, developing and supplying solutions for the Internet of Things, together with services, software and hardware, to the major system integrators and to large and small companies. By adopting Eurotech solutions, customers can access the most recent opensource software stacks and standards, flexible and robust multi-services gateways and sophisticated sensors, for the purpose of gathering field data and making it usable by business processes. In collaboration with numerous partners in a global ecosystem, Eurotech contributes to the implementation of the Internet of Things, supplying “best-in-class” complete solutions or individual building blocks, from the management of devices and data to connectivity and communication platforms, from intelligent peripheral devices to “smart” objects, with business models suitable to the world of modern business. For more information on Eurotech, see [www.eurotech.com](http://www.eurotech.com).
