## A Factory Full of Ideas

Eurotech combines competitiveness with ethical moral and social responsibility. While pursuing growth and innovation, we promote quality of life, employment standards, diversity and sustainable development.

Eurotech is a **multinational company** that designs, develops and supplies Edge Computers and Internet of Things (IoT) solutions – complete with services, software and hardware – to system integrators and enterprises.

By focusing on **sound leadership, strong teamwork, investing in our employees** and encouraging creativity, innovation and **ethical relationships**, we develop human and social capital in a way that underscores competitiveness, stability and longevity for our group.

Eurotech is people with ideas, passion, and determination. We recognize and encourage the full expression of **individual energy and creativity** to achieve shared, group-wide success.

## Shaping the Future, Together

We offer an informal, stimulating work environment to develop your skills, your talents as well as yourself. Your wellness is our success: **join us and help us shape the future**.

- **Engaging and challenging** tasks
- **Close-knit** teamwork
- Opportunities for **professional and personal growth**
- Constantly **evolving environment**
- **Optimal** work place

All of this in a global, innovative and sustainable company!

Is this the work experience that you are looking for?
