

## Eurotech's BoltGATE 20-31 receives 2020 IoT Excellence Award

*The modular Railway-certified IoT Edge Gateway honored for Excellence in Innovation*

**Amaro (Italy), January 27<sup>th</sup>, 2021** – Eurotech, a company that designs, develops, and deploys hardware, software, services and solutions for the Internet of Things (IoT), announced today that the [BoltGATE 20-31](#) has received a 2020 IoT Excellence Award presented by [TMC](#) and [Crossfire Media](#).

The 2020 IoT Evolution IoT Excellence Award honors innovative products that support the availability of information being deduced, inferred and directly gathered from sensors, systems and anything else that is supporting better business and personal decisions.

The BoltGATE 20-31 family provides a modular solution that addresses the challenges of the next-generation applications for [smart transportation](#) by combining hardware and software for Edge processing and Cloud connectivity. The system consists of the BoltGATE 20-31 Module, which is the main CPU Module, and a wide set of Expansion Modules.

The BoltGATE 20-31 is enhanced by by [Everyware Software Framework \(ESF\)](#), Eurotech's IoT Edge Framework, that provides native support for field industrial protocols (such as MVB), advanced data and device management capabilities and connectivity to multiple IoT Cloud services, such as Eurotech's IoT Integration Platform [Everyware Cloud \(EC\)](#).

"This award demonstrates for the umpteenth time Eurotech's ability to simplify the intrinsic complexity of every IoT project" commented Giuseppe Surace, Eurotech's Chief Product & Marketing Officer. "The BoltGATE 20-31 provides a modular and flexible component to win the challenges of the digitalization of Railway and Transportation applications. This approach allows the customer and final user to easily manage edge devices and integrate data with IT applications both at the edge and in the cloud".

"It is my pleasure to recognize the BoltGATE 20-31 with an IoT Excellence Award for its Excellence in Innovation," said Carl Ford, CEO & Community Developer, [Crossfire Media](#). "As a leader in this rapidly evolving industry, I look forward to seeing Eurotech's future successes".

### About Eurotech

Eurotech (ETH:IM) is a multinational company that designs, develops and supplies Edge Computers and Internet of Things (IoT) solutions – complete with services, software and hardware – to system integrators

and enterprises. By adopting Eurotech solutions, customers have access to IoT building blocks and software platforms, to Edge Gateway to enable asset monitoring and to High Performance Edge Computers (HPEC) conceived also for Artificial Intelligence (AI) applications. To offer increasingly complete solutions, Eurotech has activated partnerships with leading companies in their field of action, thus creating a global ecosystem that allows it to create "best in class" solutions for the Industrial Internet of Things.
