

EUROTECH: APPOINTMENT OF MY TWIN COMMUNICATION AS IR ADVISOR

Amaro (UD), Italy, January 8, 2026 - Eurotech S.p.A., a multinational company that designs, develops and delivers Edge Computers and Internet of Things (IoT) solutions complete with services, software and hardware to system integrators and companies, announces that it has chosen **My Twin Communication** as its strategic partner for Investor Relations advisory activities.

My Twin Communication will act as a strategic partner for the Eurotech Group's Top Management providing specialized consultancy and operational support aimed at strengthening relations with the financial community and the media. The boutique firm will be responsible for expanding dialogue and communication, enhancing the visibility and effectiveness of Eurotech's equity story among financial stakeholders, both in Italy and internationally.

Eurotech, listed since 2005 on **the STAR segment** of the regulated market of Borsa Italiana – Euronext Milan under the ticker **ETH** and **ISIN IT0003895668**, is included in the FTSE Italia Small Cap and FTSE Italia STAR indices.

The Group is currently in an advanced phase of strategic repositioning, focused on strengthening its technological core in Edge AI and on streamlining its cost structure, with the aim of progressively returning to a path of sustainable growth and profitability recovery.

My Twin Communication will play a crucial role in supporting this vision and its enhancement, contributing to strengthening the Group's positioning within the international financial landscape.

Eurotech

Eurotech (ETH.IM) is a multinational company that designs, develops, and supplies Edge Computers and Internet of Things (IoT) solutions - complete with services, software, and hardware - to system integrators and enterprises. By adopting Eurotech solutions, customers have access to IoT building blocks and software platforms, to Edge Gateways to enable asset monitoring, and to High-Performance Edge Computers (HPEC) created for Artificial Intelligence (AI) applications. To offer increasingly comprehensive solutions, Eurotech has partnered with leading companies in their field of action, with a view of creating "best in class" solutions for the Industrial Internet of Things.
