Eurotech

Eurotech is a multinational company that designs, develops, and delivers computer edge and Internet of Things (IoT) solutions complete with services, software, and hardware for system integrators and enterprises. By adopting Eurotech's solutions, customers have access to IoT software components and platforms, Edge Gateways to enable asset monitoring, and High-Performance Edge Computers (HPEC) for Artificial Intelligence (AI) applications. To offer increasingly complete solutions, Eurotech has entered into partnerships with leading companies in their field of action, thus creating a global ecosystem that allows it to create "first-rate" solutions for the Internet of Things.
